

'Centurion' Cycle Shelters

'Centurion' Cycle Shelters

This exciting, NEW, and inovative design secures up to 8 cycles in a single bay.

It is an aesthetically pleasing design with the option of an integral cycle rack.

It is dramatic and eye catching, whilst being robust, practical and affordable

This versatile shelter can be used as a waiting shelter, smoking shelter, or for motorcycle parking

We offer a complete service from bespoke design to final installation, this ensures you get the right product for your requirements.
